Another stage of agricultural machinery distribution

On February 21 this year in CJSC “Agrotekhservice” of Gisar city with the participation of the First Deputy Minister of Agriculture of the Republic of Tajikistan Nosirzod Jabbor, Deputy Director of the State Institution “Agriculture Entrepreneurship Development” Boymurod Kurbonov, Deputy Director of RSUE “Tajikagroleasing” Batyr Muminov, Director of CJSC “Agrotekhservice” Jaloliddin Nuraliev, sub-structures of the Ministry of Agriculture, heads of farms and other officials distribution of agricultural machinery was conducted.

It is worth noting that, on the initiative of the Government of the Republic of Tajikistan, the State Institution “Agriculture Entrepreneurship Development”, within the framework of the Strengthening Resilience of the Agriculture Sector Project, at another stage of distribution of agriculture machinery transferred 6 tractors of the “Belarus-82.1” brand and 4 caterpillar tractors “Agromash” 90TG to the State Institution “Locust Control Expedition” and farms of the republic.

First Deputy Minister of Agriculture Nasirzoda Jabbor, delivered a speech in which he stated that ensuring food security of the population of the country largely depends on the development of the agricultural sector and is considered one of the priority areas of the Government of the Republic of Tajikistan. The aspect of the sector’s development is noted directly by the Founder of Peace and National Unity, Leader of the Nation, respected Emomali Rahmon, and is annually financed within the framework of sectoral programs and investment projects. All of us should appreciate the constant care and contribute to the development of agriculture all the time. Take care of these affordable modern tractors and machines so that they serve you for many years to come.

It should be noted that at the first stage a number of agricultural machineries was supplied to seed and seedling farms: 20 units of plough, 15 softeners, 13 cotton planters, 13 grain planters, 4 grain cleaning machines, 15 potato planters, 15 potato harvesters, 2 units of graders, 4 units of cotton cleaning machines and 4 units of cotton packing machines.

At the second stage of distribution, 20 tractors, 4 ploughs, 7 trailers were transferred to seed farms, 9 tractors to the State Commission for Testing of Agricultural Crops and Protection of Varieties, 14 tractors to the State Unitary Enterprise "Plant Protection and Chemicalization", as well as 11 units of large tractors, 13 units of small tractors and 23 units of agricultural machinery and equipment to the State Unitary Enterprise "Tajikniholparvar".

After the informative speech of the Deputy Minister of Agriculture, the heads of farms expressed their gratitude for the continuous support of the Government of the Republic of Tajikistan in the development of the agricultural sector.

At the end of the event, the Deputy Minister of Agriculture and other officials handed over the keys to the tractors to the project beneficiaries.
