The performance results of the Public Organization “Avesto” in the frame of project

With the support of the Government of the Republic of Tajikistan, the State Institution “Agriculture Entrepreneurship Development” in the frame of sub-component 3.4 (nutrition improvement) of “Strengthening Resilience of the Agriculture Sector Project” for health promotion and improvement of population health, especially mothers and children, vitamins and micronutrients were imported into the country last year.

The State Institution “Agriculture Entrepreneurship Development” in cooperation with the Ministry of Health and Social Protection of Population of the Republic of Tajikistan to this date carried out a number of activities and currently, the distribution of medicine (vitamins and micronutrients) is actively proceeding throughout the country, as well as explanatory work is carried out by the Public Organization “Avesto”.

Therefore, on January 9 of this year, a working meeting was held at the State Institution on the results of the Public Organization “Avesto” activity for 2024.

The staff of the Public Organization “Avesto” and the State Institution “Agriculture Entrepreneurship Development” participated in the working meeting.

On the first issue of the agenda, the head of the Public Organization “Avesto” Abdulloeva Firusa Ganievna made comprehensive remarks on the import and distribution of vitamins and micronutrients throughout the country, development and publication of information materials, advertising activities through mass media, as well as holding round tables and consultative seminars among the population.

Then presentations on this issue were made by some

participants.
