Public awareness activities continue across the country

The State Institution "Agriculture Entrepreneurship Development" in coordination with Public Organization "Umedbakhsh" and the commission under the implementation of the "Strengthening Resilience of the Agriculture Sector Project" completed a review of the status of information stands, monitoring of complaints boxes and completed replacement of information stands intended directly for complaints and suggestions from the project beneficiaries.

Specialists in this sector have started implementing this initiative since the beginning of January this year in pilot cities and districts of Khatlon region, and in Sughd region they have completed it in due time.

Today, the social and environmental specialists of the State Institution "Agriculture Entrepreneurship Development" and the Public Organization "Umedbakhsh" for timely implementation of the action plan in implementation of the "Strengthening Resilience of the Agriculture Sector Project" started an awareness campaign on the grievance redress mechanism among project beneficiaries and stakeholders for this year.
