ABDUMANSUR IN HONOR OF THE 32ND ANNIVERSARY OF THE FORMATION
OF ARMY FORCES OF THE REPUBLIC OF TAJIKISTAN**

With great respect and endless devotion, I sincerely congratulate all of you, dear compatriots, on the 32nd anniversary of the formation of the Army Forces of the Republic of Tajikistan.

The National Army is truly an extremely important part of the statehood of independent Tajikistan and the basis of stability and existence of our ancient people in the international arena, and promoting its development is the sacred duty of every patriot and patriotically minded citizen of our beloved country.

It is noteworthy that the National Army of the country, despite its new formation, at the beginning of the confident path to state independence was able to carry out significant and praiseworthy efforts and merits in restoring peace, tranquility and security on the borders of the country.

As the Founder of Peace and National Unity, the Leader of the Nation, the Supreme Commander-in-Chief of the Military of the Republic of Tajikistan, General of the Army, the respected Emomali Rahmon, has repeatedly emphasized, the Army Forces are the guarantors of the security and integrity of the independent state of Tajikistan, and the servicemen of military units and formations make a great contribution to the protection of the borders and native land of the Motherland, ensuring the security of the state, and the peaceful life of the country's residents.

Every brave officer and soldier of the country, as a reliable shield of the Motherland, must always be vigilant and intelligent in the performance of their duty and never forget

that the peaceful and calm environment of today's independent Tajikistan was achieved at the cost of the lives of honor and dignity of hundreds of young people.

In addition, they must always remember that the people of Tajikistan are proud of the servicemen of their Armed Forces, see in each of them brave and courageous sons of our beloved Motherland and believe that they will always remain faithful and devoted to their military oath.

On these joyful days, I sincerely congratulate all officers and soldiers of the country, wishing them well-being, prosperity, happiness and victories, and our independent Tajikistan – eternal stability and peace.
