Meetings in the framework of the Mechanism for Complaints and Proposals Consideration at the regional level with the project beneficiaries

The State Institution "Agriculture Entrepreneurship Development" within the framework of the "Strengthening Resilience of the Agriculture Sector Project" has established a mechanism for complaints and proposals consideration at the regional and national levels to ensure transparency of the project activities and relations with the beneficiaries.

In order to implement the Law of the Republic of Tajikistan "On Appeals of Individuals and Legal Entities", an official document on environmental and social issues, as well as to consider citizens' appeals within the framework of this project, the State Institution "Agriculture Entrepreneurship Development", executive bodies of state authorities of towns and districts of the country have established commissions functioning in this direction with enthusiasm.

During the meetings, the experts on social and environmental issues of the institution and employees of the public organization "Umedbakhsh" raise the issues related to the transparency of the activities of the "Strengthening Resilience of the Agriculture Sector Project" and effectiveness of the mechanism for consideration of complaints and appeals.
