Congratulations of the State Institution “Agriculture Entrepreneurship Development” Director, Honored Daler Satori Abdumansur, on May 23 – Youth Day

When it comes to youth, the words of the Founder of Peace and National Unity, Leader of the Nation, President of the Republic of Tajikistan respected Emomali Rahmon immediately come to mind: “Today, youth, as the continuers of our high goals implementation, with unwavering determination strive for development and progress of Tajikistan by achieving unique accomplishments in many spheres”.

Indeed, Tajikistan young people consider themselves the continuators of the country’s leadership high goals, having chosen the great school of patriotism of the Founder of Peace and National Unity, Leader of the Nation, President of the Republic of Tajikistan respected Emomali Rahmon as a great lesson of life and proudly implement their great historical responsibility and glorious filial duty.

In this process, the youth, as creators of the Motherland future, true and dedicated followers of the Founder of Peace and National Unity, Leader of the Nation, President of the Republic of Tajikistan, respected Emomali Rahmon, take all necessary measures for the ever-increasing development and progress of the country, and as the driving and motivating force of the Tajikistan new society, direct its activities towards implementation of creative and innovative goals.

Our country is one of the youngest in the world, the majority of which are young people, who are the main driving force of the country development.

Effective implementation of the state policy regarding youth has been the focus of the Government of the Republic of Tajikistan since the first days of independence. In his speeches, the Head of the country, the Founder of Peace and National Unity, the Leader of the Nation, the President of the

Republic of Tajikistan respected Emomali Rahmon has repeatedly stated: "We must create all conditions for young people, who are the future of the nation, and educate them in the spirit of patriotism, self-consciousness and national pride".

This is indeed true as the future of the country and the nation is in the youth hands. They represent a country and a nation. It is impossible to imagine a country without educated, erudite and talented young people, who are the future builders of society today and tomorrow.

By their knowledge, abilities and strength, young people have participated in various regional and international competitions and won prizes, are gaining more and more fame and strengthen the reputation and influence of our beloved Motherland in the international arena.

The Head of State, the Founder of Peace and National Unity, the Leader of the Nation, the President of the Republic of Tajikistan respected Emomali Rahmon pays special attention to supporting the youth and providing it with new jobs based on the use of information and communication technologies and knowledge of foreign languages, constantly supports their proposals for development of our beloved Motherland, creates favorable working conditions and is fully confident in their abilities and professional skills.

Indeed, today the youth of the country is actively involved in various sectors of the national economy: politics, economy and society, culture, health care and industry, agriculture and other spheres, making a worthy contribution to development and progress of our beloved Tajikistan.

On these joyful days I would like to sincerely congratulate you, my dear colleagues, and in your person all youth of our beloved country with Youth Day on May 23, wish you prosperity, happiness and victories, and to our independent Tajikistan – eternal peace and stability.
