**Congratulations of the Director of the State Institution  
“Agriculture Entrepreneurship Development”**

With deep respect and from the bottom of my heart, let me congratulate my dear colleagues and compatriots on the occasion of the 32nd anniversary of the State independence of the Republic of Tajikistan.

Thanks to the wise policy of the Founder of Peace and National Unity – the Leader of the Nation, the President of the Republic of Tajikistan, respected Emomali Rahmon, during the period of independence, we had the opportunity to present honorably the people of our country to the world.

During these years, the Republic of Tajikistan was able to take its place in the international arena, and more than 190 countries accepted the independence of Tajikistan.

State independence is a sacred holiday for every nation, the protection and stability of its foundations is the first task of every worthy citizen of the country.

We believe in the bright future of our Motherland – dear Tajikistan – and we invest all our efforts to ensure that independence remains as alive and durable as one whole tree.

I once again congratulate you on the anniversary of the independence of the Republic of Tajikistan and wish you health, happiness and unique success in your daily activities.

**Sincerely,**
